Dear Mrs. Chan,

On behalf of the Consulate General of the People's Republic of China, I would like to express our sincere appreciation to you for all you did in organizing the Peking opera show on February 23, 2018, in New Orleans, and for your commendable work over the years in promoting Chinese culture in New Orleans.

The above Peking opera show, presented by Hubei Peking Opera Theater in celebration of Chinese Lunar New Year and the tricentennial of the City of New Orleans, was a great success, applauded by the City Council including both Mayor Landrieu and Mayor-Elect Cantrell, the Tricentennial Celebration Committee and the New Orleans audience, contributing to the mutual understanding and friendship between the Chinese and American peoples.

Now the Hubei Peking opera troupe has successfully concluded its four-city tour of the United States. On the occasion of the Lantern Festival I wish you all the happiness, the best of health, continued prosperity and lots of good luck in the Year of the Dog!

High regard,

Fei Xie
